## Indoor Air Comfort Gold

**noraplan® acoustic**

*Certified Product*

**nora systems GmbH**

**Höhnerweg 2-4, 69469 Weinheim, Germany**

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |                                                  |                                                      |

## Appendix to Certificate IACG-31-01-11-2024

nora systems GmbH

receives the Indoor Air Comfort Gold certificate with validity 09 July 2029

for below product group, including subgroups and individual products as listed:

Product group:        noraplan® acoustic

Product type:         Resilient Floorings

Products included:

noraplan® sentica acoustic,  
noraplan® lona acoustic,  
noraplan® sentica,  
noraplan® signa / environcare acoustic,  
noraplan® stone acoustic,  
noraplan® convia acoustic.

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
